

## SANDSTONE BREWERY BEERS

**Sandstone Edge 3.8%** is an aromatic session ale with a golden straw appearance with light bitterness and body to the aftertaste. Bitterness comes from a fusion of Fuggles and Goldings hops at the beginning of the boil to balance the pale malt. The aroma comes from a late addition of Cascade hops.

**Sleeping Policeman 4.2%** is a copper coloured, traditionally hopped beer with a delicate citrus taste and a lingering bitter finish. Watch out for the bumps in the road, you might have run over something....

**Postmistress 4.4%** is a russet, red ale, with a medium body and bitterness to taste. It is a union of three hops, Goldings, Fuggles and Styrian goldings to complement the malt component of crystal, chocolate and pale malt. Late addition of Fuggles and Styrian hops provide extra aroma.

**Y Forwyn Fwyn, 3.6%**, is a classic mild ale. Various dark malts have been added to the pale malt base to produce a dark, nutty and very quaffable mild, producing a beer style and taste of yesteryear.

**Buxom Barmaid 4.7%** is a rich, golden, wholesome ale. Its fruity overtones are a result of Brewer's Gold, Fuggles and Goldings hops. Maris Otter Pale Malt has produced a full-bodied mouth-feel, which will quench the thirst leaving you wanting more. Refreshing and uplifting just like the barmaid.

**Poachers Pale, 4.4%**, has a powerful bitterness, provided by generous amounts of aromatic hops, which give this beer a wonderfully refreshing and light taste. It will help you fill your swag bag with a couple of illicit birds
